Lines worth 10 points each		Lines worth 10 points each		Lines worth 9 points each		Lines worth 9 points each	

It is your goal to be proficient on the red book by the end of the year.

Each quarter's collection adds up to equal one overall pass-off grade. Students will start with a 0 for that grade, and as they pass off, points will be added to that grade. Once all lines for that quarter have been passed off, students will have earned a 100 for the pass-off assignment.

Students have the entire quarter to pass-off book lines.

Scale Tests

2nd Quarter		3rd Quarter		4th Quarter	
Middle Long Notes		Concert F Scale		Concert Eb Scale	
Low Long Notes		Concert Bb Scale		Concert Ab Scale	
		14 Note Chromatic Scale		19 Note Chromatic Scale	

Each scale is an individual test grade. Students start with a 0 for the assignment, and once correctly performed, students will receive the full amount of points possible.

Criteria used to pass-off: tone, intonation, precision (rhythm, pitch, tempo), musicianship (dynamics, articulations), posture, and handposition.
