## **2016 Clinician**

Mrs. Sarah Stafford, Caldwell County, NC

## **Music**

The following pieces should be found in the folders: Cimarron Trail, Engines of Resistance, Gathering in the Glen, Guardians of Liberty, Harrowgate Festival, March to Buckingham Palace, Patriotic Bits and Pieces, and Shackelford Banks

Students should prepare for rehearsals by working on all 8 pieces in advance. Also, to help rehearsal move at a better pace, students should be sure that all measures are numbered. If they are not pre-printed on the music, time should be taken to physically label measure numbers. Accidentals should be circled and notated to help students remember how to play those notes. Do your part to be prepared!

Be sure to bring a pencil to rehearsal!

Cell phones and/or other devices should not be out during rehearsals.

As a reminder, students should be respectful of the space at the Brock. We are fortunate to be able to use it, and we want to treat the space and the staff with respect. No drinks or food on stage or in the seating area. Additionally, students should only enter the stage via the backstage ramp or by the stairs. Jumping up onto or down from will not be permitted.

We hope every student has an enjoyable clinic experience. We look forward to seeing these students learn and grow at this event.
